

Luminary Program Overview

You're a Luminary. You're a leader in your content area and create original resources that successfully personalizes learning and improves learning outcomes for students. As a member of this program, you're partnering with Edmodo in its mission to connect learners to the people and resources they need to reach their full potential. The best content comes from educators like you—educators who've tried and tested their resources, know what works, and understand the value of sharing original content created by teachers. Thank you for everything you do. Whether you are sharing or selling, we want to help make you successful and extend your reach on Edmodo.

Requirements

To join, all you need to do is

- Upload 10+ original (self-created) resources to Spotlight

Stay posted for more ways to level up your status. (Hint: There are lots of exclusive badges sitting in the wings!) Since Edmodo Spotlight is still in its beta phase, the first 100 Luminaries will be part of our first Luminary class. It also means that we're focusing on getting some of the most interesting content on the platform, so that we can invite our global teacher network to come sample your resources.
